CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF PARAMATRIX TECHNOLOGIES LIMITED

(incorporated in Hong Kong with limited liability)

Opinion

We have audited the financial statements of Paramatrix Technologies Limited (the "Company") set out on pages 4 to 11, which comprise the statement of financial position as at 31st March, 2022, and the income statement and statement of changes in equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the financial statements of the Company are prepared, in all material respects, in accordance with the Hong Kong Small and Medium-sized Entity Financial Reporting Standard ("SME-FRS") issued by the Hong Kong Institute of Certified Public Accountants ("HKICPA") and have been properly prepared in compliance with the Hong Kong Companies Ordinance.

Basis for Opinion

We conducted our audit in accordance with Hong Kong Standards on Auditing ("HKSAs") and with reference to Practice Note 900 (Revised), Audit of Financial Statements Prepared in Accordance with the Small and Medium-sized Entity Financial Reporting Standard" issued by the HKICPA. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the HKICPA's Code of Ethics for Professional Accountants ("the Code"), and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The directors are responsible for the other information. The other information comprises all the information included in the directors' report, other than the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we required to report that fact. We have nothing to report in this regard.

Responsibility of Directors and Those Charged with Governance for the Financial Statements

The directors are responsible for the preparation of the financial statements in accordance with the SME-FRS issued by the HKICPA and the Hong Kong Companies Ordinance, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Company's financial reporting process.

Tel/電話: (852) 2851 3973

INDEPENDENT AUDITOR'S REPORT TO THE SHAREHOLDERS OF (Continued) PARAMATRIX TECHNOLOGIES LIMITED

(incorporated in Hong Kong with limited liability)

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. This report is made solely to you, as a body, in accordance with sections 405 of the Hong Kong Companies Ordinance, and for no other purpose. We do not assume responsibility towards or accept liability to any other person for the contents of this report.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with HKSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with HKSAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the director's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes form an integral part of these financial statements.

NOTES TO THE FINANCIAL STATEMENTS

(Expressed in Hong Kong dollars)

1. CORPORATE INFORMATION

Paramatrix Technologies Limited (the "Company") is a private company incorporated in Hong Kong with limited liability. The Company's registered office is located at Room 2310, Dominion Centre, 43-59 Queen's Road East, Wanchai, Hong Kong. The Company was engaged in business of providing software and consultancy services.

At 31st March, 2022, the directors consider the Company's immediate parent and ultimate holding company to be Paramatrix Technologies Pvt Limited, a limited company incorporated in India.

2. PRINCIPAL ACCOUNTING POLICIES

(a) Basis of preparing the financial statements

The Company qualifies for the reporting exemption as a small private company under section 359(1)(b) of the Hong Kong Companies Ordinance (Cap. 622) and is therefore entitled to prepared and present its financial statements in accordance with the Small and Medium-sized Entity Financial Reporting Standard (SME-FRS) issued by the Hong Kong Institute of Certified Public Accountants.

The Company elects in accordance with SME-FRS paragraph 19.1 not to present consolidated financial statements as it is a wholly-owned subsidiary of another entity. These financial statements comply with the SME-FRS and have been prepared under the accrual basis of accounting and on the basis that the Company is a going concern. The measurement base adopted is the historical cost convention.

(b) Revenue

Revenue is recognized when it is probable that the economic benefits will flow to the company and when the revenue can be measured reliably, on the following bases:

- (i) Services income is recognized when services are delivered.
- (ii) Interest income is recognized on a time proportion basis taking into account the principal outstanding and the interest applicable.

(c) Foreign exchange

The reporting currency of the company is Hong Kong Dollars, which is the currency of the primary economic environment in which the company operates.

Foreign currency transactions are converted at the exchange rate applicable at the transaction date. Foreign currency monetary items are translated into Hong Kong Dollars using exchange rates applicable at the end of the reporting period. Gains and losses on foreign exchange are recognized in the income statement.

(d) Subsidiaries

A subsidiary is an entity that is controlled by the parent company. Control is the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.

NOTES TO THE FINANCIAL STATEMENTS

(Expressed in Hong Kong dollars)

2. PRINCIPAL ACCOUNTING POLICIES (continued)

(e) Taxation

Income tax expense represents current tax expense. The income tax payable represents the amounts expected to be paid to the taxation authority, using the tax rate (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

Deferred taxation is not provided.

(f) Related parties

A related party is a person or entity that is related to the entity that is preparing its financial statements.

- (I) A person or a close member of that person's family is related to the Company if that person:
 - (i) has control or joint control of the Company;
 - (ii) has significant influence over the Company; or
 - (iii) is a member of the key management personnel of the Company or of a parent of the Company.
- (II) An entity is related to the Company if any of the following conditions applies:
 - (i) the entity and the Company are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).
 - (ii) one entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the entity is a member).
 - (iii) both entities are joint ventures of the same third party.
 - (iv) one entity is a joint venture of a third entity and the other entity is an associate of the third entity.
 - (v) the entity is a post-employment benefit plan for the benefit of employees of either the Company or an entity related to the Company. If the Company is itself such a plan, the sponsoring employers are also related to the Company.
 - (vi) the entity is controlled or jointly controlled by a person identified in (I).
 - (vii) a person identified in (I)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).
 - (viii) The entity, or any member of a group of which it is a part, provides key management personnel services to the Company or the parent of the Company.

NOTES TO THE FINANCIAL STATEMENTS

(Expressed in Hong Kong dollars)

2. PRINCIPAL ACCOUNTING POLICIES (continued)

(g) Impairment of assets

An assessment is made at the end of each reporting period to determine whether there is any indication of impairment or reversal of previous impairment, including terms of property, plant and equipment, intangible assets and long-term investments. In the event that an asset's carrying amount exceeds its recoverable amount, the carrying amount is reduced to recoverable amount and an impairment loss is recognize in the income statement. A previously recognized impairment loss is reversed only if there has been a change in estimates used to determine the recoverable amount, however not to an amount higher than the carrying amount that would have been determined (net of amortization or depreciation), had no impairment losses been recognized for the asset in prior years.

3. REVENUE

	An analysis of the Company's revenue is as follows:	2022	2021
		2022	2021
	Software and consultancy services income	3,708,521	3,567,140

Notes to the financial statements for the financial year ending 31 March 2022

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1. General information

The Company is a private limited company incorporated in Singapore. The address of its registered office and principal place of business is -

6 SHENTON WAY, #22-08 OUE DOWNTOWN, SINGAPORE 068809

The principle activities of the Company are that of providing information technology consultancy and data analytics and processing activities. There was no significant change in the nature of activities during the financial year.

2. Basis of preparation

The financial statements have been prepared in accordance with the Singapore Financial Reporting Standard for Small Entities issued by the Accounting Standards Council.

3. Significant accounting policies

Revenue recognition

Revenue is recognised when services or goods have been rendered/sold to, accepted by and invoices rendered to customers in the ordinary course of the Company's activities. Revenue is presented, net of value-added tax collected on behalf of the government, rebates and discounts.

Interest income, if any, is recognised using the effective interest method.

Dividend income, if any, is recognised when the right to receive payment is established.

Borrowing costs

All borrowing costs, if any, are recognised in profit or loss in the period in which they are incurred.

Income tax

Income tax expense represents the sum of

- tax currently payable; and
- deferred tax

The tax currently payable is based on taxable profit for the year.

Notes to the financial statements for the financial year ending 31 March 2022

3. Significant accounting policies (continued)

Income tax (continued)

Deferred tax is recognised on temporary differences, differences between the carrying amounts of assets and liabilities in the financial statements and their corresponding tax bases.

Deferred tax liabilities are recognised for all temporary differences that are expected to increase taxable profit in the future.

Deferred tax assets are recognised for all temporary differences that are expected to reduce taxable profit in the future, and any unused tax losses or unused tax credits. Deferred tax assets are measured at the highest amount that, on the basis of current or estimated future taxable profit, is more likely than not to be recovered.

The net carrying amount of deferred tax assets is reviewed at each reporting date and is adjusted to reflect the current assessment of future taxable profits. Any adjustments are recognised in profit or loss. Deferred tax is calculated at the tax rates that are expected to apply to the taxable profit (tax loss) of the periods in which it expects the deferred tax asset to be realised or the deferred tax liability to be settled, on the basis of tax rates that have been enacted or substantively enacted by the end of the reporting period.

Property, plant and equipment

Items of property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is charged so as to allocate the cost of assets less their residual values over their estimated useful lives, using the straight-line method.

If there is an indication that there has been a significant change in depreciation rate, useful life or residual value of an asset, the depreciation of that asset is revised prospectively to reflect the new expectations.

Intangible assets

Intangible assets acquired separately are measured initially at cost, Intangible assets are assessed for impairment whenever there is indication that the intangible asset may be impaired. The amortisation period and the amortisation method for intangible assets are reviewed at least each financial year-end. Amortisation is calculated on a straight-line basis over estimated useful lives of intangible assets.

Inventories

Inventories, if any, are stated at the lower of cost and selling price less costs to complete and sell. Cost is calculated using the first-in, first-out (FIFO) method.

Notes to the financial statements for the financial year ending 31 March 2022

3. Significant accounting policies (continued)

Impairment of assets

At each reporting date, property, plant and equipment, intangible assets, and investments in associates are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in profit or loss.

Similarly, at each reporting date, inventories are assessed for impairment by comparing the carrying amount of each item of inventory (or group of similar items) with its selling price less costs to complete and sell. If an item of inventory (or group of similar items) is impaired, its carrying amount is reduced to selling price less costs to complete and sell, and an impairment loss is recognised immediately in profit or loss.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount (selling price less costs to complete and sell, in the case of inventories), but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (group of related assets) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

Leases

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership of the leased asset to the Company. All other leases are classified as operating leases.

Rights to assets held under finance leases are recognised as assets of the Company at the fair value of the leased property (or, if lower, the present value of minimum lease payments) at the inception of the lease. The corresponding liability to the lessor is included in the statement of financial position as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are deducted in measuring profit or loss. Assets held under finance leases are included in property, plant and equipment, and depreciated and assessed for impairment losses in the same way as owned assets.

Rentals payable under operating leases are charged to profit or loss on a straight-line basis over the term of the relevant lease.

Notes to the financial statements for the financial year ending 31 March 2022

3. Significant accounting policies (continued)

Trade and other receivables

Most sales are made on the basis of normal credit terms, and the receivables do not bear interest. Where credit is extended beyond normal credit terms, receivables are measured at amortised cost using the effective interest method. At the end of each reporting period, the carrying amounts of trade and other receivables are reviewed to determine whether there is any objective evidence that the amounts are not recoverable. If so, an impairment loss is recognised immediately in profit or loss.

Trade payables

Trade payables are obligations on the basis of normal credit terms and do not bear interest. Trade payables denominated in a foreign currency are translated into SGD using the exchange rate at the reporting date. Foreign exchange gains or losses are included in other income or other expenses.

Loans and overdrafts

Interest expense is recognised on the basis of the effective interest method and is included in finance costs.

4. Key sources of estimation uncertainty

Any estimates, assumptions and judgements used or applied are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.
